

# Dissemination & Implementation Research Interest Group

The Dissemination & Implementation Research Interest Group brings together researchers interested in learning more about implementation science. Participation is open to those new to the field, as well as those who may already be engaged in implementation research. The group is fortunate to have outstanding members, several of whom are outside of MUSC.

## Seminar Series

*All meetings are held via Zoom, on the 2<sup>nd</sup> Friday of the month at 1 p.m. EST.*

Date	Topic/Title	Presenter
9/08/2023	Introduction to Implementation Science	Rochelle Hanson, Ph.D., MUSC
10/13/2023	Implementation Frameworks	Katie Sterba, Ph.D., MUSC
<b>11/10/2023</b>	<b>Veteran's Day - NO presentation</b>	
12/8/2023	Qualitative Methods	Angie Moreland, Ph.D., MUSC
1/12/2024	NIH Panel	Mary Acri, Ph.D., NIMH; David Chambers, D.Phil, National Cancer Institute
2/9/2024	Implementation Science - Measures	Cam Escoffery, PhD., MPH, CHES, Emory University
3/8/2024	Provider/Health Systems Perspectives	Michelle Spiegel, MD, MUSC
4/12/2024	Adaptations & Sustainment	Shannon Wiltsey-Stirman, Ph.D., Stanford
5/10/2024	Health Equity	Katelin Hoskins, Ph.D., MBE, CRNP, Univ of Penn
6/14/2024	Digital Health Implementation Panel	Hannah Espeleta, PhD., Leigh Ridings, PhD., Tatiana Davidson, PhD, MUSC
7/12/2024	Economic Analysis	Alex Dopp, Ph.D., RAND Corps
8/16/2024	Hybrid Effectiveness-Implementation Approaches: Overview & Case Example	Sara J. Landes, Ph.D., Associate Professor, University of Arkansas for Medical Sciences

## Registration

If you are interested in participating, please register through the link or QR code. You only need to register once.
