

## The Opioid Crisis in South Carolina: Problems and Solutions

**Kathleen T. Brady, MD, PhD**

Vice President for Research  
Distinguished University  
Professor

Dr. Brady and her team will give a brief overview of the causes and magnitude of the opioid problem in the state of South Carolina. Come learn how our MUSC researchers are developing innovative programs to educate and improve access to treatment, including telehealth and an emergency room initiative.

### Science for the rest of us

MUSC's Science Café is a series of presentations offering entertaining talks on scientific subjects in a fun, non-technical way in a pleasant social environment. To learn more, contact Tara Abbott at 843-792-2926 or [abbottt@musc.edu](mailto:abbottt@musc.edu).
