

## Marijuana: What's in it for you?

### Kevin M. Gray, M.D.

Professor and Director  
of Child and Adolescent  
Psychiatry

Professor of  
Addiction Sciences

Department of Psychiatry  
and Behavioral Sciences

Marijuana medicalization and legalization are polarizing topics. Come hear from MUSC physician-scientist Dr. Kevin Gray, and discuss how marijuana's ingredients affect the brain, with a range of potential benefits and harms.

### Science for the rest of us

MUSC's Science Café is a series of presentations offering entertaining talks on scientific subjects in a fun, non-technical way in a pleasant social environment. To learn more, contact Tara Abbott at 843-792-2926 or [abbottt@muscd.edu](mailto:abbottt@muscd.edu).
