

The key to good health is just under your nose

Sundar Balasubramanian, PhD

Research Assistant Professor
Medical University of South Carolina
Department of Radiation Oncology
Hollings Cancer Center

Do you know your right nostril and left nostril do not work in the same way?

If you change your breathing pattern you could change a lot in your mind and body.

Science for the rest of us

MUSC's Science Café is a series of presentations offering entertaining talks on scientific subjects in a fun, non-technical way in a pleasant social environment. To learn more, contact Tara Abbott at 843-792-2926 or abbottt@musc.edu.
